

So, you're a Climate Champion... and, want to start a school garden

Here are some resources:

[LAUSD Website](#)

- Click: *Campus Ecology Initiatives SEEDS* (Sustainable Environment Enhancement Developments for Schools)
- This is a bond funded program to create or improve school garden/greening projects that directly support curriculum.
- Grants up to \$100,000 and an additional \$50,000 for schools in the top 150 in need of green space.

[Growing School Garden Relationships](#)

By UC-CE Master Gardener (MG) Louisa Cardenas July 2022

[School Garden Curriculum Review](#)

By UC-CE Master Gardener Tashanda Giles-Jones September 2022
